The LISI Group announces the strengthening of its management team with the arrival of Mr. Benoît Heubert as Chief Operating Officer

The LISI Group announces the creation of a General Operations Department, headed by Benoît Heubert, who is joining the Group for this role.

With 28 years of experience gained at the Michelin Group, Benoît Heubert brings to the LISI Group proven expertise in industrial strategy and global operational management across diverse and complex environments. For the past six years, he served as CEO of Euromaster, a mobility services specialist operating in 17 countries and generating revenue of approximately €3 billion in 2025.

Commenting on this appointment, Emmanuel Viellard, CEO of the LISI Group, stated: "We are pleased to welcome Benoît Heubert to the Executive Committee. He will contribute to the implementation of the LISI Group's roadmap in the areas of manufacturing, procurement, transformation, organization, and CSR, working closely with the two divisions, LISI AEROSPACE and LISI AUTOMOTIVE, whose operational performance he will oversee. In this capacity, he will be closely involved in preparing the next stages of our development and in driving our long-term strategic plan."

LISI is a global industrial Group, with a turnover of nearly 1.8 billion euros in 2025 and a workforce of 9,634 people, specialized in the manufacturing of assembly solutions and high value-added components for the aerospace and automotive sectors. As a partner to the world's leading players and driven by ancestral family values, LISI innovates and invests in research and development for tomorrow's products to meet its customers' needs, particularly in terms of quality, safety, and performance. The LISI Group distinguishes itself by relying on two strategic pillars: innovation and operational excellence, while integrating a strong CSR culture.
