

## DISPOSAL OF EUROFAST

LISI AEROSPACE has sold, for a price of 20 million euros, 100% of the shares of Eurofast to Anixter France. With 2006 sales of 13998K€, Eurofast is a distributor of aerospace hardware, together with a service provider offering a wide range of products and services principally to French airframe manufacturers and related subcontractors.

Based in Collégien (77), Eurofast employs 35 people and is totally focused on distribution activities.

LISI AEROSPACE will remain a Eurofast supplier for the fasteners manufactured within its group, mainly by Blanc Aero Industries.

This transaction is one of the steps of the strategy implemented by LISI AEROSPACE, aiming at focusing its resources on manufacturing activities. Furthermore, it will strengthen its business relationship with the Anixter Group, one of the leaders in the distribution of aerospace fasteners. Founded in 1957, headquartered near Chicago, Anixter trades on The New York Stock Exchange under the symbol AXE.

*Listed on Euronext's CAC Mid 100 (ISIN: FR 0000050353), the LISI Group is one of the world leading providers of fasteners and assembly fixtures for the Aerospace, Automotive, and Fragrance & Cosmetics industries.*
