The LISI Group pursues the consolidation of LISI MEDICAL Orthopaedics

As part of the final acquisition of the Benoist-Girard STRYKER plant announced August 31st, and the legal proceedings initiated by the Works Council of Benoist-Girard S.A.S regarding its right to information, the Court of First Instance of General Jurisdiction of Caen, in a summary order dated November 5th, 2010, has rejected the Council's requests.

The Benoist-Girard plant, now renamed "LISI MEDICAL Orthopaedics" since September 1st, 2010, is therefore pursuing its usual business within the LISI Group, in line with the orientations defined in the press releases of December 8th, 2009 and August 31st, 2010.
